Time  
Like ice now frozen  
A moment  
An eternity  
Eyes  
Underneath the surface  
Watching  
Staring at you

Cry  
Oblivion engulfs me  
Lay me down  
Pleasure for you  
Pray  
As a true believer  
My soul is lost  
Nothing's left for you

Time  
Like ice now frozen

A moment  
An eternity  
Dust  
At my endless funeral  
Your dreams  
In vain comes true

Tears will drown you  
In pretended grief you gorge  
At my endless funeral  
The bells toll for you
