The shadows smile and invited me  
"Come to us  
We'll set you free  
This is your time, can't you see?  
We'll end your pain and misery!"

In the wind I can hear the call  
Urging me to redeem my soul  
I watch the candle in front of me  
Flicker and die  
Now I can see...  
Through the hollow illusions  
The emptiness of life  
A Shattered Existence  
I have made up my mind...

"Never mind to say goodbye  
Who will miss you?  
Who will cry?"  
The shadows smiles and invited me  
"Come to us, we'll set you free  
No more thoughts and memories  
No more pain and misery..."  
The hollow illusions  
The essence of life  
A shattered existence  
I have made up my mind...

Suicide...  
"Per DoloremAd Caelum"  
(Opus Umbrarum)
