I saw them dancing in the streets  
An innocent play with actors unknowing  
Celebrating this ancient pagan feast  
Unleashing my spirit. The shadows are growing

Im weaving their songs to spells once forgotten  
And the pictures in their minds to seals that was broken  
Sing my hymns and read my invocations  
I'm the unexpected guest. I accept your invitation

And alone in her bed  
The virgin lies dreaming  
The visions in her mind  
Wakes her up screaming

The seed is sown  
The shadows are growing

The dance goes on  
With actors unknowing  
The night is young, it has merely begun  
My waiting is over, my time has come

And alone in her room  
The virgin is weeping  
In a dream she saw  
From beyond, the darkness came creeping...
