Rejoice  
This celebration  
The blind god smiles  
At us tonight

Resounding with laughter  
The night is alive  
A night to remember  
For those who have died

Spirits have risen  
To gather around  
The gifted child  
With angel s eyes  
Shunned by the living  
Loved by the dead  
He s in league with the devil  
Or so they say

Resounding with laughter  
The night is alive  
A night to remember  
For those who have died  
The flotsam and jetsam  
Of the other side  
The ragged and torn  
The pale and forlorn

The ragged and torn  
The pale and forlorn

Fearless he moves  
Among shadows and tombs  
In the dead of the night  
By the light of the moon  
For he s the boy who dances with ghosts
