

## **Equinox Ov The Gods "The Waiting"**

Visit "[The Waiting](#)" on MotoLyrics.com

I look at the horizon  
As the everlasting sky  
Just like it is on fire  
And the sun is about to die  
Forever you are calling me  
Forever i hear your voice  
Forever you are calling me  
Giving me no choice...

I watch the stars sparkle  
And the moon shine...  
I pray to the four seasons  
That our love will never die  
Forever you are calling me  
From a place where the sun shines  
Forever you will be missing me  
If you don't help me find...

From Summerland you are calling me  
To a place i cannot find  
I beg you, come and take my hand  
Lead me beyond space and time  
Forever you are calling me  
From our kingdom come  
Forever you will wait for me  
Wait for my time to come...
