Where roses never die  
Another life, another try  
Beyond the mountains, beyond the fields  
My fortune is waiting for me  
Another life... Another life...  
Another life, another try  
Where roses never die  
Another life, another try

Beyond the forest of forever more...  
Beyond the seas without shores...  
Beyond the horizon of eternity  
My fortune is waiting for me  
So bright... So bright

I enter the tunnel of light  
Where roses never die  
Another life... I'm gonna try...

Sunshine fades and shadows fall  
But sweet remembrance outlasts all...
