Cathar Rhythm
Don't you come back now?
Don't you turn your eyes?
And if you dare to look
I'll be you waiting

Impera ve nessimo
Impera sa mi ve nero
Dove di imantore divo

You hear my prayer
Don't you turn your eyes?
And if you dare to mourn
I'll be you waiting

Impera ve nessimo
Impera sa mi ve nero
Dove di imantore tora

E mani diavole
E mano diavole
E nere mani diavole

Impera ve nessimo
Impera sa mi ve nero
Dove di imantore divo

Don't you come back now?
Don't you turn your eyes?
E nere mani diavole
You hear my prayer
E nere mani diavole
I'll be you waiting
