Mom's sick, she say she cant get up.
My little brother is getting hungry.
I must go to the village and ask for some food, would
you help me?
-Sure Connie, I'll help ya.
-I always feel good when you're with me.
-You're my friend Connie.
-Are you always gonna be there when I grow up, are
you?
-Cross my heart.
Don't you forget about me, don't you forget about me.
We were soft and young, in a world of innocence.
Don't you forget about me, don't you forget all of our
dreams.
Now you've gone away, only emptiness remains.
-I always feel good when you're with me.
-You're my friend Connie.
-Are you always gonna be there when I grow up, are
you?
Don't you forget about me, don't you forget about me.
We were soft and young, in a world of innocence.
Don't you forget about me, don't you forget all of our
dreams.
Now you've gone away, only emptiness remains.
Don't you forget about me, don't you forget about me.
Don't you forget about me, don't you forget about me.
We were soft and young, in a world of innocence.
Don't you forget about me, don't you forget all of our
dreams.
Now you've gone away, only emptiness remains.
Don't you forget about me.
We were soft and young, in a world of innocence.
Don't you forget about me.
Don't you forget about me.
