Lookin' for something  
Lookin' for something

Lookin' for something  
Somethin' new  
Somethin' good  
Somethin' fast  
Somethin' exciting

Lookin' for something  
Lookin' for something  
Somethin' warm  
Somethin' real  
somethin' strong  
Somethin' exciting  
Somethin' exciting

Ande more mi iaci felissior  
Ande valantiam graci me felor  
Ande more mi portia velissimo  
Ande valorim graci me felor

Lookin' for something  
Lookin' for something  
Somethin' warm  
Somethin' good  
Somethin' strong  
Somethin' exciting

Lookin' for something  
I wanna cherish something  
I wanna feel  
Somethin' warm  
Somethin' real  
Somethin' exciting  
Somethin' exciting...

Ande more mi iaci felissior  
Ande valantiam graci me felor  
Ande more mi portia velissimo  
Ande valorim graci me felor

Lookin' for something  
Lookin' for something

Ande more mi iaci felissior  
Ande valantiam graci me felor  
Ande more mi portia velissimo  
Ande valorim graci me felor

Lookin' for something  
Lookin' for something  
I wanna cherish something  
I wanna feel  
Somethin' warm
