Mother

Mother you are always around

Let me tell you you're the only one.

Mother, when I see that look in your eyes

I know that you're my only child

And you make my world around

and round and round

and round and round

and round and round

Amio sumoni

Yofanati vorento

Amere coreni

Yoa simento canante

Rentiro men foni

Senti re da muntera

loshepa runo

Solite tiro re tira-o-o

Do you love your mother

Like I love mine?

Do you wanna hold her

All through the night?

The silence is my soul

Love just agree

Rest...

Do you love your mother

Like I love mine?

Do you wanna be

A one and only child

Desires of your soul

Love just agree

Rest...

I rest my head on her chest

Head on her chest

Head on her chest

Do you love your mother

Like I love mine?

Amio sumoni

Yofanati vorento

Amere coreni

Yoa simento canante

Rentiro men foni

Senti re da muntera
