Time to get busy for some rock'n'roll  
You better get your ass into it, just lose control!

Stockholm, Sweden, everybody's bleeding  
I need some action so give me satisfaction  
Turn on the radio, turn it up  
I wanna show you the station with the heavier rock

'Cause I'm a B A N D I T  
Gonna bang that head that doesn't bang and do it for  
free  
So baby be my bandit wife, I'm so damn hardcore  
I'm a bandit for life

Stockholm, Sweden, rock home leading  
The one you overlooked but always believed in  
Turn on the radio, turn it up  
I wanna show you the station with the heavier rock

'Cause I'm a B A N D I T  
Gonna bang that head that doesn't bang and do it for  
free  
So baby be my bandit wife, I'm so damn hardcore  
Well I'm a bandit for life

You wanna play my game? I'd love to see you play my  
game, punk

So if you play my game, you're in the game  
I see you love the change, we'll I stay the same  
I'm a devil in disguise with a fat cigar  
I rock and I roll right behind that bar  
So don't tell me how to live my life  
If you want to become my dear bandit wife  
If you can't come out 'cause you're feeling sore  
I'll just start a moshpit outside your door

'Cause I'm a B A N D I T  
Gonna bang that head that doesn't bang and do it for  
free  
So baby be my bandit wife, I'm so damn hardcore  
Yeah, so damn hardcore

Yeah, so damn hardcore  
Well I'm a bandit for life
