

Blowsight "The Simple Art"

Visit "[The Simple Art](#)" on MotoLyrics.com

This is a journey not for fun
You have to bare with me
Let's hold the clowns for entertainment and the girls
for company
And the more you shoot the more i smile -
Just let the bullets penetrate
Hold the clowns for entertainment - dance around like
timberlake

The more you shoot the more i smile
But still i'm bleeding.

So free yourself from everyone
Let's turn the party on
The situation is critical - i want us to shine
The night is still young
Let's turn the tv on
I'd like to call this the simple art of making you mine

If i could have a nickel - for everytime i said "no" -
I'd be a millionare but use the cash on the new
nintendo
There was a part of me who loved the way you used to
smile
The yesterday is f*cking grey - i'm glad it's been a
while.

So what's up with making me - it's making you the
enemy
I try to heal but still i'm bleeding.

So free yourself from everyone
Let's turn the party on
The situation is critical - i want us to shine
The night is still young
Let's turn the tv on
I'd like to call this the simple art of making you mine

So what do you want?
High voltage rock 'n roll!
And what do you need?
Blowsight in control!

(x2)

So free yourself from everyone
Let's turn the party on
The situation is critical

So free yourself from everyone
Let's turn the party on
The situation is critical
- i want us to shine
The night is still young
Let's turn the tv on
I'd like to call this the simple art of making you mine
