Sitting here together  
Baby, were all alone  
Now I can tell ya,  
Girl, you turn me on

I get lifted  
Up high high  
High high  
I get lifted  
Up high high  
High high

Bring out the lovin,  
Lovin desire, baby  
You've got the magic  
Oh, that likes to fly

I get lifted  
Up high high  
High high  
I get a lifted  
Up high high  
High high

Yeah, yeah  
Mumma mumma mumma,  
Mumma mumma mumma,  
Yeah,  
Mumma mumma mumma,  
Mumma mumma mumma,

I get lifted  
Up high high  
High high  
I get lifted  
Up high high  
High high

I get lifted  
Up high high  
High high

I get lifted  
Up high high  
High high

Yeah, baby  
I've been waiting here all my life  
Yeah, Mumma  
You've got the mess, oh, oh  
That, that likes to fly  
Oh, oh  
Baby, you bring out the lovin,  
You bring out the lovin,  
Yeah, babe, yeah  
You've got the magic,  
That likes to fly
