All you fear, is fear its self,  
Check our your own back yard before you check out  
someone else

Railroad tracks, in my neighbourhood,  
Ain't no trains around that part just ain't no good

Wanna know, what's going down,  
The pimp on the corner looks like the sharpest cat in  
town

Jungle rule, can't be no fool,  
Might get caught by the hook of a crook no time for  
cool

Look out jay, what you say, what you carrying brother,  
I hope you're clean cause the man is mean, don't come  
another further

We all know the answer, will come out in time,  
I might even carry some of your load, right along with  
mine

Thank you ma'am, mister please,  
'Cause I must be Hercules,  
I must be Hercules

Like a bird, on the wing,  
I just wanna be free enough to do my thing

I can feel the pressure, from every side,  
If you ain't gonna help, don't hurt, just pass me by

Oh, no

Hercules,  
I must be Hercules

Jungle rule, can't be no fool,  
Devil is on the loose, no cool,  
Got your feet, in the sand,

Got to be down with the cats that around and still got  
the face the man

Talk about me if you please but I must be Hercules,  
Hercules,  
I must be Hercules

Duckin' rocks, catchin' stones,  
Movin' how can I survive what's going on,  
Big steely borrow,  
Somehow I've got to make it to tomorrow

Can't depend, on no-one else,  
Comin' up the hard way I've got to save myself

Must be Hercules,  
I must be Hercules,  
Talk about me if you please,  
I must be Hercules
