I feel like a king, yeah,
Cause I just kissed my baby,
And money don't mean a thing to me,
Cause I just kissed my baby, yeah,
Feels so good, ha,
That I just kissed my baby,
Well, well I'm no,
Cause I just kissed by baby, yeah

Well, well, well, yeah,
I know I can't go wrong,
All we ever do, ha,
Is try to drift along, yeah,

I feel brand new,
Cause I just kissed by baby,
And I'm going back to number 2,
Cause I just kissed by baby
And I feel so doggone great, oh
Cause I just kissed by baby
Me and my girl need to hibernate
Cause I just kissed by baby

Oh come on!

Well, well, well,
Just kissed my baby,
Just kissed my baby,
I just kissed my baby,
Just kissed my baby,
Just kissed my baby,
I just kissed my girl,
Just kissed my baby,
I just kissed my baby,
Just kissed my baby
Just kissed my baby
Just kissed my baby
Wait on

I feel so good inside,
Just kissed by baby,

And power was on my side, that's right,
Cause I just kissed by baby,
And all we ever do is try to get along,
Cause I just kissed my baby,
Yeah,
That's right
