If I could be anywhere,
If I could be with anyone,
I'd choose you,
You light up the room,
Like the morning sun,
Day and night,
Night and day,
It doesn't matter, at all,
It's what I want,
There's no place I'd rather be

I'm only here for you,
Just you,
And I, I'm gonna hold you tight
I'm only here for you,
Just you,
And I, lovin you, lovin you,
Lovin cause it feels so right

Now that I told you,
Now that you know,
And It's real,
Me and you,
Its gonna be,
Tell me what you wanna do,
I had a dream,
It's so clear,
No one, no way to,
Or means,
I can stop searching,
This is where I'm meant to be,

I'm only here for you,
Just you,
And I, I'm gonna hold you tight
I'm only here for you,
Just you,
And I, lovin you, lovin you,
Lovin cause it feels so right

Now you know,

That you're not alone,
There ain't nothing that can go wrong,
I'm here to show what I'm all about, yeah
Let me tell ya, (let me tell ya)
Let me tell ya, (let me tell ya)
Let me tell ya right now,

I'm only here for you,
Just you,
And I, I'm gonna hold you tight
I'm only here for you,
Just you,
And I, lovin you, lovin you,
Lovin cause it feels so right

I'm only here for you,
Just you,
And I, I'm gonna hold you tight
I'm only here for you,
Just you,
And I, lovin you, lovin you,
Lovin cause it feels so right
