We've come a long long way together,  
through the hard times and the good,  
I have to celebrate you baby,  
I have to praise you like I should

you're so rare,  
so fine,  
I'm so glad your mine,  
you're so rare,  
so fine,  
I'm so glad your mine

you make me glad I'm a man,  
cause your a feeling something real,  
and anytime I know your near,  
I'm going to please you every way I can

you're so rare,  
man you're so fine,  
I'm so glad your mine,  
you're so rare,  
so fine

you've cleared the questions from my mind,  
I was afraid to say I love you,  
afraid to take and too eager to give,  
you helped me deal with what I'm feeling,  
with why and how I want to live,

you're so rare,  
man you're so fine,  
I'm so glad your mine,  
you're so very rare,  
and so fine,  
Show her that your mine

I have to praise you when you hold me,  
when you work your way around,  
ain't a part of me left over,  
that your sweet love ain't found,  
you make my (my) moan turn to whisper,

you make my whisper turn to call,  
you make me scream,  
and scream that I love ya,  
when you (when you) make me rise and fall

you're so rare,  
so fine,  
and you know I'm so very glad your mine,  
you're so rare,  
so fine, yeah  
and we can work together baby,

Yeah and you're so fine,  
And we can work together baby,  
to see it, all come true

cause your so rare,  
and your so fine,  
and lord knows You're so very glad your mine,  
we've come a we come a long long way together,  
through the hard times and the good

I'm going to take this day to celebrate you girl,  
cause I have to stop and praise you like I should

take yo praise, your so rare,  
take yo praise, your so fine,  
I have to praise you when you're holding me,

You're so rare, you're so rare  
So glad your mine,  
Take yo praise, you're so fine,  
You make me, glad I'm a man,  
And you know I'm so glad your mine
