"Use Me"

My friends feel it's their appointed duty,
They keep trying to tell me all you want to do is use me,
But my answer yeah to all that use me stuff,
Is I wanna spread the news that if it feels this good
getting used,
Oh you just keep on using me until you use me up,
Until you use me up

My brother sit me right down and he talked to me,
He told me that I ought not to let you just walk on me,
And I'm sure he meant well yeah but when our talk was
through,
I said brother if you only knew you'd wish that you were
in my shoes,
You just keep on using me until you use me up,
Until you use me up

Oh sometimes yeah it's true you really do abuse me,
You get in a crowd of high class people and then you
act real rude to me,
But oh baby baby baby baby when you love me I can't
get enough
I and I wanna spread the news that if it feels this good
getting used,
Oh you just keep on using me until you use me up,
Until you use me up

Talking about you using me but it all depends on what
you do,
It ain't too bad the way you're using me,
Cause I sure am using you to do the things you do,
To do the things you do,
Until you use me up
