I'm taking care of business,  
Woman cant you see,  
I gotta make for you,  
And I got to make it for me,  
Whoa, sometimes it seems, girl, I'm neglecting you,  
Well id love to spend more time,  
I've got so many things to do

Whoa, I, I got work to do, yeah  
I got work baby,  
I got a job baby,  
I got work to do, yeah  
Said I got work to do, yeah

Oh I'm only trying to make,  
Woman can't you see,  
Oh it takes a lot of money to make it,  
It's so truthfully,  
Keep your love lights burning,  
And a little food hot in my plate,  
You might as well get used to,  
Me coming home a little late,

I, yeah, I got work to do, yeah  
I got a job baby,  
I got work to do,  
I got work to do, yeah  
I got work to do, yeah

I'm taking care of business,  
Woman cant you see,  
I gotta make for you,  
And I got to make it for me,  
Don't wanna make you feel,  
A me liking you,  
I'd rather spend more time,  
I got so many things to do,

Whoa, I yeah, I got work to do, yeah  
I got work baby,  
I got a job baby,

I got work to do, yeah  
Everybody's got work to do, yeah
