Julie Tearjerky on the phone
She says that I can't be alone
Yeah she was told that time is gold
Super strategy guide
Super strategy guide
Don't turn your back on an enemy
She doesn't look too friendly
It's a final fantasy
Nothing stays the same
Nothing stays the same
Bridge:
No comic books, no ugly looks
No flaming trees
Oh man, I need some more

I hear her calling my name
I hear her calling my name
Julie Tearjerky on the ground
She'll swallow anything that's round
Pick it up next time around
Nothing stays the same
Nothing stays the same
Repeat Bridge:
Need some more
No happiness, no loveliness
No emptiness
I wasn't here before
Here before
I hear her calling my name
I hear her calling my name
Interlude:
Repeat Bridge:

No happiness, no loveliness
No emptiness
I wasn't here before
I hear her calling my name
I hear her calling my name

Coda:
Julie Tearjerky on the phone
Julie Tearjerky on the phone

Julie Tearjerky on the phone
Julie Tearjerky on the phone
