"AGAINST MY VIEW"

I had a dream
And you were there
With your back up against my view

And you gave your smile to her
You gave your smile to her
You gave your smile to her

I had a dream
And you were there
With your back up against my view

And you gave your charms to her
You gave your charms to her
You wrapped your arms 'round her

I had a dream
And you were there
With your back up against my view

And you sang your songs to her
You sang my songs to her
You sang my songs to her
