Never had a point of view  
'Cause my mind was always someone else's mind  
I never had to tell a lie  
'Cause I left the choices up to them  
Don't know why, but I did

Oh, I want life  
Life wants me  
To breathe in it's love

Take me I'm yours  
Now I'm coming up for air  
I'm gonna live my time for the rest of my life  
Then I'll be coming back for more

I never had to call the tune  
'Cause I always drifted with the tide of the moon  
I would go out every night  
Looking for someone to treat me right  
Not a chance, not a hope in this world (world)

Oh, I want life  
Life wants me  
To breathe in it's love

Take me I'm yours (take me)  
Now I'm coming up for air (I'm yours)  
I'm gonna live my time for the rest of my life  
Then I'll be coming back for more  
Ooh, ooh

Take me I'm yours (take me)  
Now I'm coming up for air (I'm yours)  
I'm gonna live my time for the rest of my life  
Then I'll be coming back for more
