"Catch 22"

If I seem nervous will you show me what to do
And does the world deserve us, application rushing
through
A long time coming, yes it's been a long time coming
And my loving you is a place where I surrender
In my heart it's not hard to do
And all my worldly goods I give to you
We close our eyes and chase away the sorry things
You make it easy for me life is but a dream
Cried on your shoulder
Dove into the great blue yonder

And my loving you is a place where I surrender
Touch my heart, it's not hard to do
And all my worldly goods I give to you
Loving you, is a place where I surrender
In my heart
No catch twenty-two
And all my worldly goods I give to you

No misdemeanor, theres a ring upon my finger
And my loving you is a place where I surrender
In my heart
It's not hard to do
And all my worldly goods I give to you
Loving you, is a place where I surrender
Touch my heart
No catch 22
And all my worldly goods I give to you
Loving you is a place where I surrender
In my heart
It's not hard to do
And all my worldly goods I give to you.
