That was the first time
I saw you in the undergrowth
You only heard
The voices in the wind

Then came the next time
You called me to the great unknown
A transformation
Changing everything

Metamorphosis... First contact (first contact)
Metamorphosis... First contact (first contact, first
contact)

That was my first and only
Encounter with the outer
Reaches of space
You sent them through my heart

That was the first time
I saw you in the undergrowth
You only heard
The voices in the wind

Then came the next time
You called me to the great unknown
A transformation
Changing everything

Metamorphosis... First contact (first contact)
Metamorphosis... First contact (first contact, first
contact)

That was my first and only
Encounter with the outer
Reaches of space
You sent them through my heart

(resistance is futile)
(resistance is futile)

Metamorphosis... First contact (first contact)
Metamorphosis... First contact (first contact, first
contact)
Metamorphosis... First contact (first contact)
Metamorphosis... First contact (first contact, first
contact)

That was my first and only
Encounter with the outer
Reaches of space
You sent them through my heart
