(B.Andersson / B.Ulvaeus)

Half past twelve, and I'm watching the late show  
In my flat all alone.  
How I hate to spend the evening on my own.  
Autumn winds blowing outside the window,  
As I look around the room,  
And it makes me so depressed to see the gloom.  
There's not a soul out there;  
No one to hear my prayer...

Gimme, gimme, gimme a man after midnight!  
Won't somebody help me chase these shadows away?  
Gimme gimme gimme a man after midnight!  
Take me through the darkness till the break of the day.

Movie stars, find the end of the rainbow,  
With that fortune to win.  
It's so different from the world I'm living in.  
Tired of T.V., I open the window,  
And I gaze into the night,  
But there's nothing there to see, no one in sight.  
There's not a soul out there, no one to hear my prayer.

Gimme, gimme, gimme a man after midnight!  
Won't somebody help me chase the shadows away?  
Gimme, gimme, gimme a man after midnight!  
Take me through the darkness till the break of the day.

Gimme, gimme, gimme a man after midnight!  
Gimme, gimme, gimme a man after midnight!

There's not a soul out there, no one to hear my prayer.

Gimme, gimme, gimme a man after midnight!  
Won't somebody help me chase the shadows away?  
Gimme, gimme, gimme a man after midnight!  
Take me through the darkness till the break of the day.  
Gimme, gimme, gimme a man after midnight!  
Won't somebody help me chase the shadows away?  
Gimme, gimme, gimme a man after midnight!  
Take me through the darkness till the break of the day.

Who Needs Love Like That

Who needs love like that

There's something going on  
Something not quite right  
There's something strange  
Happening to me  
There's someone at the door  
Hear voices in my head  
It seems things aren't the way  
They ought to be

Who needs love like that  
Who needs love like that

It seemed so clear before  
I held my point of view  
I kept my conversation  
Never changed  
Now it's all gone wrong  
Words are kind of hard  
Nothing else around me  
Looks the same

Who needs love like that  
Who needs love like that  
Love can turn you upside-down  
And leave you cold  
It's plain to see  
You're losing all control  
(Losing all control)

I'd like to understand  
Like to find out why  
I can't remember all  
The lines that you said  
But then I see your face  
And nothing really counts  
Don't tell me now  
This feeling will stay

Who needs love like that  
Who needs love like that  
Love can turn you upside-down  
And leave you cold  
It's plain to see  
You're losing all control  
(Losing all control)

Who needs love like that  
Who needs love like that  
Love can turn you upside-down  
And leave you cold  
It's plain to see  
You're losing all control  
(Losing all control)

Oh l'amour

Oh l'amour  
Broke my heart  
Now I'm aching for you  
Mon amour  
What's a boy in love  
Supposed to do

Looking for you  
You were looking for me  
Always reaching for you  
You were too blind to see  
Oh love of my heart  
Why leave me alone  
I'm falling apart  
No good on my own

Oh l'amour  
Broke my heart  
Now I'm aching for you  
Mon amour  
What's a boy in love  
Supposed to do

Why throw it away  
Why walk out on me  
I just live for the day  
For the way it should be  
There once was a time  
Had you here by my side  
You said I wasn't your kind  
Only here for the ride

Oh l'amour  
Broke my heart  
Now I'm aching for you  
Mon amour  
What's a boy in love  
Supposed to do

No emotional ties  
You don't remember my name

I lay down and die  
I'm only to blame  
Oh love of my heart  
It's up to you now  
You tore me apart  
I heard inside-out

Oh I'amour  
Broke my heart  
Now I'm aching for you  
Mon amour  
What's a boy in love  
Supposed to do

Oh I'amour  
Broke my heart  
Now I'm aching for you  
Mon amour  
What's a boy in love  
Supposed to do

My Heart...So Blue

I've got her picture  
It's there on the wall  
I can't remember why  
I keep it at all  
The doors are cold and  
All the windows seem grey  
I write the book  
There's so much more I should say

Wave goodbye  
See my heart...so blue  
Wave goodbye  
See my heart...so blue

And now it's over  
I write it all down  
No one to notice  
One less face in the crowd  
Our eyes are open  
When it suits us to say  
Dear God in heaven  
Show no mercy to me

Wave (wave) goodbye  
See my heart...so blue  
Wave (wave) goodbye  
Lost for you

I she'd no tears  
And there's no reason for shame  
A small consolation  
Hides a stone with her name  
Just a victim  
Still the light shines all bright  
I've got her picture  
Think I'll hold it tonight

Wave goodbye  
See my heart...so blue  
Wave goodbye  
See my heart...so blue

Wave (wave) goodbye  
See my heart...so blue  
Wave (wave) goodbye  
Lost for you
