Gimme! Gimme! Gimme! (A man after midnight)
Written By: Benny Andersson & Bjorn Ulvaeus

Half past twelve and I'm watching the late show
In my flat all alone
How I hate to spend the evening on my own
Autumn winds blowing outside the window
As I look look around the room
And it makes me so depressed to see the gloom

(Chorus)there's not a soul out there
no-one to hear my prayers
Gimme Gimme Gimme a man after midnight
won't somebody help me chase the shadows away
Gimme Gimme Gimme a man after midnight
Take me through the darkness
Till the break of the day

Movie stars find their end of the rainbow
Where the fortunes win
It's so different from the world I'm living in
Tired of Tv
I open a window and I gaze into the night
But there's nothing there to see
no-one in sight

(Chorus)

Gimme Gimme Gimme a man after midnight
won't somebody help me chase the shadows away
Gimme Gimme Gimme a man after midnight
Take me through the darkness
Till the break of the day
Gimme gimme, Gimme, gimme gimme

(Chorus)

Gimme Gimme Gimme a man after midnight
Take me through the darkness
Till the break of the day
Gimme Gimme Gimme a man after midnight

won't somebody help me chase the shadows away
