Burning deep down inside like a fire  
I can see in your eyes my desire  
Here in my heart, I will love you forever  
Fall in your arms, I am yours, yours to hold

Bright like the love in your eyes  
I do know you love me  
Crying alone in the night  
Moments gone now forever tonight

Tell no lies, I can see softly screaming  
Comes alive, comes to me, am I dreaming?  
Here in my heart, I will love you forever  
Fall in your arms, I am yours, yours to hold

Bright like the love in your eyes  
I do know you love me  
Crying alone in the night  
Moments gone now forever, tonight

Burning deep down inside like a fire  
I can see in your eyes my desire  
Here in my heart, I will love you forever  
Fall in my arms, I am yours, yours to hold

Bright like the love in your eyes  
I do know you love me  
Crying alone in the night  
Moments gone now forever, tonight
