If they'd ever told me that I'd find true love in every
way
Would I cry till tomorrow? Would I keep the non-
believers away?

Remember that late night last September
When you held me in, in your arms so tight
I was feeling kind of low my heart was blue
I was empty till you came
But oh what a

Saturday night
Things were going right
As right as they'd ever been
I know that you love me

If they'd ever told me that I'd find true love in every
way
Would I cry till tomorrow? Would I keep the non-
believers away?
Was I shy, was I good with this foolish heart?
Did I try to deny we would fall apart?

Like a knight in shining armor you came over
To save me what a bolt out of the blue
(Blue)
Just one look into those eyes
You had me fallen completely
(Head over heels in love with you)
But oh what a

Saturday night
Things were going right
(I Love Saturday)
As right as they'd ever been
I know that you love me

If they'd ever told me that I'd find true love in every
way
(If they'd ever have told me that I'd find true love in
every way)
Would I cry till tomorrow? Would I keep the non-

believers away?
(Would I cry till tomorrow? Would I keep the non-believers away?)
Was I shy, was I good with this foolish heart?
(Was I shy, was I good?)
Did I try to deny we would fall apart?

And you saw me
I was falling
Head over heels in love with you

Saturday night
Things were going right
(I Love Saturday)
As right as they'd ever been
I know that you love me

If they'd ever told me that I'd find true love in every way
(If they'd ever have told me that I'd find true love in every way)
Would I cry till tomorrow? Would I keep the non-believers away?
(Would I cry till tomorrow? Would I keep the non-believers away?)
Was I shy, was I good with this foolish heart?
(Was I shy, was I good?)
Did I try to deny we would fall?
(I Love Saturday)

If they'd ever told me that I'd find true love in every way
(If they'd ever have told me that I'd find true love in every way)
Would I cry till tomorrow? Would I keep the non-believers away?
(Would I cry till tomorrow? Would I keep the non-believers away?)

Did I try to deny we would fall?
Did I try to deny we would fall?
Did I try to deny we would fall apart?
