Oh Suzi, you're shaking your red hair
Disco diva y flamenco chico
You know the eyes will all be fixing on you tonight
La bonita a la vista de un marinero

The men in the casa de rosa
They have a penchant for living
And she'll be dancing 'til the coca wears off tonight
Who's a bad girl tonight?

Tonight she'll be having fun
The likes of which we'll never know
Tonight she'll be having fun
See her go

La, la, la, la, la, la, la
La, la, la, la, la, la, la
Woah, estamos en la gloria

Oh Suzi, you're shaking your red dress
Viva tango to revive the bull
And she'll be dancing, she'll clicking her heels tonight
You see her estrellita, she'll make you king for a day

Ole to the cabaretera
She'll sing all your troubles away
Looking down the barrel of a loaded gun
Pata tendida, si no la bandida, she go rat ta, tta, tta

Ariba, arriba, arriba, andele
Kiss all them working day blues away
'Til the light of day
Estamos en la gloria

La, la, la, la, la, la, la
La, la, la, la, la, la, la
Woah, estamos en la gloria

La gloria
La gloria
