It wasn't me that saw you  
Standing by the neon lit door  
It wasn't me that saw you  
Clinging to somebody I deplore  
Baby don't show your face  
Don't move in my direction

Leave me to bleed  
Your love, your love can be fatal  
Leave me to bleed  
Your love, your love can be fatal

It wasn't me that heard you  
Whisper a name I'd never heard before  
It wasn't me that heard you  
Steal out to meet behind a secret door  
I been suspecting  
Done my own detecting

Leave me to bleed  
Your love, your love can be fatal  
Leave me to bleed  
Your love, your love can be fatal

It wasn't me that saw you  
Pick up a letter fallen on the floor  
It wasn't me that heard you  
Say you couldn't love me anymore  
There's no mistaking  
I guess I'll just be waiting

Leave me to bleed  
Your love, your love can be fatal  
Leave me to bleed  
Your love, your love can be fatal

Leave me to bleed  
Your love, your love can be fatal  
Leave me to bleed  
Your love, your love can be fatal
