(A. Bell / V. Clarke)

What about the good times:  
"They were few and far between."?  
That's the understatement of the year.

Some would call it passion,  
But it means a lot to me.  
Life's little joke is coming clear.

And that is:  
Stronger than strong, wider than wide,  
Deeper than deep, higher than high.

Old is love, any love is fine.  
Let it shine, let it flow.  
Let it flow through me.  
Old is love, any love is fine.  
Let it shine, let it flow.  
Let it flow through me.

You got twenty-twenty vision,  
When walking down the street.  
There's a fool on every corner,  
Standing by.

Nearly midnight and nothing here for me.  
Guess I have to wait 'til the morning light.

And that is:  
Stronger than strong, wider than wide,  
Deeper than deep, higher than high.

Old is love, any love is fine.  
Let it shine, let it flow.  
Let it flow through me.  
Old is love, any love is fine.  
Let it shine, let it flow.  
Let it flow through me.

Old is love, any love is fine.  
Let it shine, let it flow.

Let it flow through me.  
Old is love, any love is fine.  
Let it shine, let it flow.  
Let it flow through me.
