She wanted to be the hostess of the Big Game Show
Like Loni Anderson
She wanted to be seen on Spectravision
She told her friends that one day

She would be the movie queen
Like Krystle Carrington
Pay her weekly visit
To the top beauticians

Soul corruption, self destruction
(Are you prepared to fight?)
You can make a lotta money
Take a little bit, take a little bit, run

New sensation, Cecil B.
DeMille creation
You can make a lotta money
Take a little bit, take a little bit, run

She wanted to marry a big movie star
Like Omar Sharif, her walk-on part
In the b-movie was a big success
She did a voice over selling Hershey bars
Just like Betty White
But for now she is a temporary waitress

Soul corruption, self destruction
(Are you prepared to fight?)
You can make a lotta money
Take a little bit, take a little bit, run

New sensation, Cecil B.
DeMille creation
You can make a lotta money
Take a little bit, take a little bit, run

All the way to Hollywood
All the way to Hollywood
All the way to Hollywood
All the way to Hollywood

She told her friends that
One day she would be the movie queen
Like Zsa Zsa Zsa Gabor
But for now she is a waitress in a cocktail bar

Soul corruption, self destruction
(Are you prepared to fight?)
You can make a lotta money
Take a little bit, take a little bit, run

New sensation, Cecil B.
DeMille creation
You can make a lotta money
Take a little bit, take a little bit, run

Soul corrupt, self destruct
Soul corrupt, self destruct

All the way to Hollywood
All the way to Hollywood
All the way to Hollywood
All the way to Hollywood

Are you prepared to fight?

She wanted to marry a big movie star
Like Omar Sharif

Soul corrupt, self destruct
Are you prepared to fight?
You can make a lotta money
Take a little bit, take a little bit, run

Soul corrupt, self destruct
You can make a lotta money
Take a little bit, take a little bit, run
