Woman

If I were a woman

I would be man enough to keep you warm

And boy If I were a man

I would be strong enough to hold you tight

And when I cry

And I'm in a mood

I will try to keep on loving you

Love is divine

Love is the rage

Leave me alone

Lovely day

Love is bizarre

Lover be mine

Don't wanna lose ya

Love is divine

Love is the rage

Melancholy

Don't wanna go

Lovely time

Lover be mine

Don't wanna lose ya

Lover

If you were my lover

Would you be kind enough to take no other?

Boy

If I were a man

Would I be strong enough to practice what I preach?

When you're out of reach

I would sigh and stumble through my speech

Love is divine

Love is the rage

Leave me alone

Lovely day

Love is bizarre

Having a laugh

My Love'll do ya

Love is divine
Love is the rage
Melancholy
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya

Love is divine
Love is the rage
Leave me alone
Lovely day
Love is bizarre
Having a laugh
My Love'll do ya

Love is divine
Love is the rage
Melancholy
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya

Love is divine
Love is the rage
Leave me alone
Lovely day
Love is bizarre
Having a laugh
My Love'll do ya

Love is divine
Love is the rage
Melancholy
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya
