Love me forever, let me  
Know that you'll never leave me  
Out in the cold  
Never leave me alone

I'll show you devotion  
Can't control my emotion  
I've got love on my side  
Hey what a surprise

They say love is just infatuation  
I say love is dancin' 'cross the nation

Love so appealing leaves you  
Rockin' and reeling  
How did it happen this time?  
Good love on my mind

Hold me and kiss me, tell me  
How much you miss me  
How can they keep us apart?  
Good love in our hearts

They say we're just two more crazy lovers  
I say all we need is one another

Oh Lord, how they gonna stop us today  
My word, see how the passionless play

Love me forever, let me  
Know that you'll never leave me  
Out in the cold  
Never leave me alone

I'll show you devotion  
Can't control my emotion  
I've got love on my side  
Hey what a surprise

They say love is just infatuation  
I say love is dancin' 'cross the nation

Oh Lord, how they gonna stop us today  
My word, see how the passionless play

Dancin' across the nation  
Dancin' across the nation  
Dancin' across the nation  
Dancin' across the nation
