Woman
If I were a woman
I would be man enough
To keep you warm
And boy
If I were a man
I would be strong enough
To hold you tight

And when I cry
And I'm in the mood
I will try
To keep on loving you

Love is divine
Love is the rage
Leave me alone
Lovely day
Love is bizarre
Lover be mine
Don't wanna lose ya
Don't wanna lose ya

Love is divine
Love is the rage
Melancholy
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya

Lover
If you were my lover
Would you be kind enough
To take no other
Boy
If I were a man
Would I be strong enough
To practice
What I preach

When you're out of reach
I would sigh
And stumble
Through my speech

Love is divine
Love is the rage
Leave me alone
Lovely day
Love is bizarre
Having a laugh
My love will do ya
Don't wanna lose ya

Love is divine
Love is the rage
Melancholy
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya

Love is divine
Love is the rage
Leave me alone
Lovely day
Love is bizarre
Having a laugh
My love will do ya
Don't wanna lose ya

Love is divine
Love is the rage
Melancholy
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya
Don't wanna lose ya

Love is divine
Love is the rage
Leave me alone
Lovely day
Love is bizarre
Having a laugh
My love will do ya
Don't wanna lose ya

Love is divine
Love is the rage

Melancholy
(bet you think this song is about you)
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya
(bet you think this song is about you)
Don't wanna lose ya

Love is divine
Love is the rage
Leave me alone
(bet you think this song is about you)
Lovely day
Love is bizarre
Having a laugh
My love will do ya
(bet you think this song is about you)
Don't wanna lose ya

Love is divine
Love is the rage
Melancholy
(bet you think this song is about you)
Don't wanna go
Lovely time
Lover be mine
Don't wanna lose ya
(bet you think this song is about you)
Don't wanna lose ya

(bet you think this song is about you)
