Somewhere over the rainbow
There is a light that shines
Like saying prayers on a Sunday
Makes me feel so divine

I never knew such a burning love before
Ooh, you stop and you hear me crying out for more

The boys are back in town
They'll never let you down
That much is true
"Ah", me fait grand plaisir
Peux-tu raccoucher a cote de moi?

We spent the summer in Oslo
Land of the Midnight Sun
By the time that it's over
We will have just begun

Oh, how I love you lying by the pool
Ooh, we listen to Agneta, Anne-Frid, Benny and
Björn

The boys are back in town
They'll never let you down
That much is true
"Ah", me fait grand plaisir
Peux-tu raccoucher a cote de moi?

I never knew a better love before
Ooh, you stop and you leave me crying out for more

The boys are back in town
They'll never let you down
That much is true
"Ah", me fait grand plaisir
Peux-tu raccoucher a cote de moi?

The boys are back in town

They'll never let you down
That much is true
Ç'ÃŽ, me fait grand plaisir
Peux-tu raccoucher a cote de moi?
