She was a shy girl from the lonely street
She had no job to do and no friends to meet
She'd sit in silence in her rented room
Dream of her childhood and invented truths

And in her mind, she'd drift away
A secret place to steal away

Don't you cry, don't you cry
Let me wipe away tears from your eyes
Don't you cry, don't you cry
Let me wipe away tears from your eyes

He was a good boy from the upside of town
Said he could treat her right, said he could win her
round
Her morning sickness and the kick inside
The phantom kisses of the phantom bride

And in her mind she'd drift away
A secret place to steal away

Don't you cry, don't you cry
Let me wipe away tears from your eyes
Don't you cry, don't you cry
Let me wipe away tears from your eyes

And in her mind, she'd drift away
A secret place to steal away

Don't you cry, don't you cry
Let me wipe away tears from your eyes
Don't you cry, don't you cry
Let me wipe away tears from your eyes, no more lies

Don't you cry, don't you cry
Let me wipe away tears from your eyes
Don't you cry, don't you cry
Let me wipe away tears from your, no more lies

Don't you cry, don't you cry
Let me wipe away tears from your eyes

Don't you cry, don't you cry
Let me wipe away the tears
