Past five in the morning  
Feeling worse for the weather it seems  
But what a feeling  
What an endless night this has been

And we can't stay here  
'Cause we won't be forever young  
Well, have to go down  
Before innocence is lost

And I dream you're with me  
You hold me sweetly  
And rock me gently to sleep  
In your arms

I've been getting used to all the crying  
And the games that you play  
And if I carry on I'm gonna end up with a  
Hole in my head

And there's more to life  
Thrills and spills and dollar bills  
You have to come through  
Some way somehow

And I dream I'm with you  
You hold me sweetly  
And rock me gently to sleep  
In your arms

I dream you're with me  
You hold me sweetly  
And rock me gently to sleep  
In your arms

And I dream I'm with you  
You hold me sweetly  
And rock me gently to sleep  
In your arms

I dream you're with me  
You hold me sweetly

And rock me gently to sleep  
In your arms
