She looks around  
There are snowflakes on the ground  
Here comes another lonely Christmas  
Stars in the night  
There is one there shining bright  
Shine bright for me this lonely Christmas

And I wanted to say to you  
How much I want to be with you  
I wanted to say to you  
How much I need to be with you  
Christmas time comes once a year  
She knows this time he won't be near

She phones her mom  
(Hello)  
Says this time she cannot come  
Don't worry I'm with friends this Christmas  
(Ooh la la la)

Dad gets upset  
But in time he soon forgets  
Here comes another lonely Christmas

And I wanted to say to you  
How much I want to be with you  
I wanted to say to you  
How much I need to be with you  
Christmas time comes once a year  
She knows this time he won't be near

(Ooh la la la)  
I wanted to say to you  
(She won't be home)  
How much I want to be with you  
(This Christmas time)

I wanted to say to you  
(She won't be home)  
How much I need to be with you  
(This Christmas time)

I wanted to say to you  
(She won't be home)  
How much I want to be with you  
(This Christmas time)

I wanted to say to you  
(She won't be home)  
How much I want to be with you  
(This Christmas time)

I wanted to say to you  
(She won't be home)  
How much I want to be with you  
(This Christmas time)

I wanted to say to you  
(She won't be home)  
How much I want to be with you
