"So The Story Goes"

I close my eyes
The the sound of the sky and I see
Birds in the trees in pastures green

Nothing to do
With the time or the place I perceive
The rush of the sea beneath my feel

Such a lovely world
Oh so magical
Precious like a pearl
Wrapped up in a shell
Build your house of stone
On a bed of sand
Time and tide will rise
Washing thru' your hands

Hear your heart
See the love
Feel the soul lift up
Hear your heart
See the love
Feel the soul lift up

I lift my eyes
To the sound in the sky and I hear it
A voice on the breeze is so serene

Nothing to do
With the time or the place but I feel it
Like dust on the moon beneath my feet
Such a lovely world
Oh so magical
So the story goes
Sing the madrigal
What a lovely world
Waxing lyrical
See the lies unfold
Hear the miracle

Hear your heart
See the love

Feel the soul lift up
Hear your heart
See the love
Feel the soul lift up

So the story goes....
The lies and the miracle unfold

Gesprochen: Precious like a pearl
Wrapped up in a shell
Build your house of stone
On a bed of sand
Time and tide will rise
Washing thru' your hands

Feel the soul lift up
Hear your heart
See the love
Feel the soul lift up

I lift my eyes
To the sound in the sky and I hear it
A voice on the breeze is so serene
