I try hard
To put you out of mind
Every night alone
I'm thinking 'bout you
How can I avoid this
Pain without you?

I won't cry
I won't be sorry no more
I know that this is
Something I'll get over
Maybe I can learn to love another

It's just a matter of time
It's just a matter of time

Just because
I lock myself in my room
It doesn't mean that
I'm afraid to talk to
Those people I know
That might have you seen you

No return
I keep reminding myself
I won't look back
Don't regret a single moment
I gonna mend this heart
Inside you've broken

It's just a matter of time
It's just a matter of time
It's just a matter of time
It's just a matter of time

Show me the way
They say safety in numbers
I lift up my eyes to the sky
And imagine a crowd
Of hearts that surround me
That give the me courage to die
Were you to weep

And lie soft at my feet?
Then you'd wash all
My troubles away
And imagine the host
Of angels around me
That give me the courage to die
