I'm just saying  
I want my mummy back  
Lost her to the drink  
But her soul's intact  
Mama said to me  
Be proud of who you are  
She saw Jesus in the eyes  
Of a broken man

Sail away  
I am learning my lesson  
Mama sends her love  
And Godspeed you come home soon

One little white lie was enough  
To conceal my goodbye  
Then I stole away  
Kissed her farewell  
And wished her the best for life  
Then I stole away, woah  
Like a thief in the night

I'm just saying  
Not behind daddy's back  
He takes care of her  
In his overtime  
He's no saint I know  
As he goes around the town  
Watch him cry himself to sleep  
He's my daddy

Sail away  
I will go it alone now  
Leave my past behind

To seek fortune and fame

One little white lie was enough  
To conceal my goodbye  
Then I stole away  
Kissed her farewell  
And wished her the best for life

Then I stole away, woah  
Like a thief in the night

Sail away  
There's a storm in a teacup  
Mama sends her love  
And Godspeed you come home

One little white lie was enough  
To conceal my goodbye  
Then I stole away  
Kissed her farewell  
And wished her the best for life  
Then I stole away, woah  
Like a thief in the night

One little white lie was enough  
To conceal my goodbye  
Then I stole away  
Like a prodigal son  
And wished her the best for life  
Then I stole away, woah  
Like a thief in the night
