People everywhere
Sense of expectation hanging in the air
Givin' out a spark
Across the room your eyes are glowin' in the dark

And here we go again
We know the start, we know the end
Masters of the scene
We've done it all before
And now we're back to get some more
You know what I mean

Voulez vous (aha)
Take it now or leave it (aha)
Now is all we get (aha)
Nothing promised, no regrets
Voulez vous (aha)
Ain't no big decision (aha)
You know what to do (aha)
La question c'est voulez vous
Voulez vous

I know what you think
The girl means business so I'll offer her a drink
Feeling mighty proud
See you leave your table pushing through the crowd

I'm really glad you came
You know the rules, you know the game
Master of the scene
We've done it all before
And now we're back to get some more
You know what I mean

Voulez vous (aha)
Take it now or leave it (aha)
Now is all we get (aha)
Nothing promised, no regrets
Voulez vous (aha)
Ain't no big decision (aha)
You know what to do (aha)

La question c'est voulez vous

I'm really glad you came
