{I don't do much talking
I do a lot of singing}

Yeah oh
Yeah yeah yeah
Yeah yeah yeah

When you're feelin' kinda melancholy
And ya get somethin' never thought about
Outta nowhere
Once in a while there's a special moon
And a clear sky colored pale azure
They all have something in common

Way beyond
Yonder
Deeper
Paradise
All describe
Blue is just a mood

So bright it can be electrical
Indigo
Cobalt
Powder
Or Paris
Have it any way you like
Stones of metamorphic sapphire
From the Heaven's down to the deepest sea
Every part of your life
Do you feel it

State of mind
Color
Way beyond
Yonder
Deeper
Paradise
All describe
Blu is just a mood

Blu's not just a primary color

It's the backdrop for the universe
So if you're vibing on this chill atmosphere
Baby you have been blue

Blue is just a mood
Yeah, Blue is just a mood
Yeah color
Its a rainbow
Blue is just a mood

Yeah, play that organ for me,Julie
'Cause blue is just a mood, yeah

State of mind
Color
Way beyond
Yonder
Deeper
Paradise
All describe
Blu is just a mood
Oh yeah

State of mind
Color
Way beyond
Deeper
Paradise
All describe
Blu is a mood

State of mind
Color
Way beyond
Yonder,yeah, yeah, yeah
Deeper
Paradise
All describe
Blu is a mood

State of mind
Color
Way beyond
Yonder
Deeper
Paradise
All describe
Blu is a mood

Blu is just a mood
