So what's life supposed to be about baby  
Gyal free up ya mind but stop actin' crazy  
Reminisce 'pon all the good times daily  
Why you try to pose like I be actin' shady  
(Breathe)

What's life supposed to be about baby  
Gyal free up ya mind but stop actin' crazy  
Sean-a-paul give ya the good lovin' daily  
Now you try to pose like I be actin' shady

[Blu]

You say you love me, say you love me  
But you're never there for me, yeah mmm...  
You'll be cryin', slowly dyin'  
When I decide to leave, oh-oh

All we do is make up (make up)  
Then break up (break up)  
Why don't we wake up  
And see  
When love hurts (when love hurts)  
It won't work (it won't work)  
Maybe we need some time alone  
We need to let it breathe

[Sean Paul]

Dutty-ya!  
My girl (come on girl!)  
For the fourth time  
Let me make it very clear to you  
You're very dear to me  
And honor of me share to you  
Me not unfair to you  
Woman I want for real to make you know  
That I will always draw near to you  
But me know me not a fear to you (e-eh!)  
Me stand up like a man (okay!) and I'll be there  
because I care for you  
Long time me tellin' no other girl I compare to you  
Woman if you leave me now  
I'm gonna shed a lot of tears for you (uuh...)  
You want to breathe (yo-yo) and still you're not  
exhalin' (uuh...)  
Say you want to leave (come on girl yo!) cos this  
relationship's failin' (uuh..)  
Ain't nobody said that it would be smooth sailin'  
Girl I want to know why you're bailin' ship yo! (uuh...)

So what's life supposed to be about baby (Breathe)  
Gyal free up ya mind but stop actin' crazy (Breathe)
