Sean Paul and Blu Cantrell
Remix that gonna make ya head swell yo
Yo hey yo boem yo hey yo
Dutty, yeah

(Breathe)
So what's that supposed to be about baby?
Gal free up ya mind and stop actin' crazy
Reminisce about all the good times daily
Why you try to pose like I be actin' shady?

(Breathe)
What's that supposed to be about baby?
Gal free up ya mind and stop actin' crazy
Sean Paul'll give ya the good lovin' daily
Now you try pose like I be actin' shady
(Talk to me now Blu)

You say you love me, say you love me
But you're never there for me, yeah
You'll be cryin' slowly dyin'
When I decide to leave, oh, oh

All we do is make up
(Make up)
Then break up
(Break up)
Why don't we wake up
And see?
When love hurts
(Love hurts)
It won't work
(Won't work)
Maybe we need some time alone
We need to let it breathe

So what's that supposed to be about baby?
(Breathe)
Gal free up ya mind and stop actin' crazy
(Breathe)
Reminisce about all the good times daily
(Breathe)

Why you try to pose like I be actin' shady?

You're only lonely when your homey
Ain't got a ride or no loot, yeah
(Yeah)
Then comes the drama
Some other girl is claimin' she's goin' out with you

All we do is make up
(Make up)
Then break up
(Break up)
Why don't we wake up
And see?
When love hurts
(Love hurts)
It won't work
(Won't work)
Maybe we need some time alone
We need to let it breathe

So what's that supposed to be about baby?
(Breathe)
Gal free up ya mind and stop actin' crazy
(Breathe)
Shady shady shady
(Breathe)
(Breathe)
(Breathe)

Dutty, yeah
My girl for the fourth time
(Come on girl)
Better make it very clear to you
You're very dear to me
An honor of me share to you
Me not unfair to you
Woman I want
For real to make you know that
I will always join in to you

But me know me not a fear to you
Me stand up like a man and I'll be there 'cuz I care for
you
(Yeah okay)
Long time me tellin' you
No other girl can compare to you
Oh my dear if you leave me know
I'm going to shed a lots of tear for you

You want to breathe and still you're not exhalin'

(Here we go)
Say you want to leave 'cuz this relationship failin'
(Come on girl)
Ain't nobody say that it would be smooth sailin'
Girl I want to know why your bailin', ship yo

So what's that supposed to be about baby?
(Breathe)
Gal free up ya mind and stop actin' crazy
(Breathe)
Reminisce about all the good times daily
(Let me freak out)
Why you try pose like I be actin' shady?
(Let me freak)
(Shady shady shady baby baby)

Maybe we need some time alone
So we can just breathe
(Breathe)
Let it breathe
(Breathe)
(Breathe)
Breathe
(Breathe)
(Breathe)
Let it breathe
(Breathe)
Breathe
(Breathe)
(Breathe)
Yeah yeah let it breathe, yeah
(Shady shady shady baby shady)

Time to breathe y'all
(Breathe)
(Breathe)
Time to breathe y'all
(Breathe)
