[Eminem]

Yo, I'll shove a gun in ya grill, greasy and heated  
Smothered in hot mustard so when I feed it to you it's  
easy to eat it  
You need to be immediately treated  
While you breathin' you'll be leavin'  
The receiving room this evening with Jesus  
You hate on us, we'll be waitin' on eight corners  
Swarmin' ya hood with a thousand angry  
skateboarders  
I'll hop in the Jeep, slam on the gas and charge you  
And bombard you in the car that ya mom bought you  
Mess around and get choked and found in a moat  
Floatin' around drowned face down in a boat  
I'll pile five dudes in a pen  
And we'll pull up to the seven mile drive-thru  
At McDonald's and pile-drive you  
I got the power to snatch a driver out his Eddie Bauer  
When it rides by me at ninety miler per hour  
This place is my house, I might as well erase my face  
with white-out  
Cause y'all can't see me like Mase's eyebrows  
It's like that, it's like that
