State of mind

Way beyond
Yonder

Paradise
All describe
All describe
Blu is a mood

When you're feelin' kinda melancholy
And ya get somethin' never thought about
Outta nowhere
Once in a while there's a special moon
And a clear sky colored pale azure
They all have something in common
And it's blu

State of mind

Paradise
All describe
All describe
Blu is a mood

So bright it can be electric

Or indigo
Cobalt
Powder
Or Paris
Have it any way you like
Stones of metamorphic sapphire
>From the heavens down to the deepest sea
It's in every part of your life
Do you feel it

State of mind

Way beyond
Yonder

Paradise
All describe
All describe
Blu is a mood

Blu's not just a primary color
It's a backdrop for the univere
SO if you're vibing on this chill atmoshpere
Baby you have been blue
