"Make Me Wanna Scream"

Visit "[Make Me Wanna Scream](#)" on MotoLyrics.com

What's done in the dark comes to light, for sho
So the thing you did with her, I was gonna know
You impressin' these girls, showin' off your flow
But I got my own bank, so I'm out the door

You callin' me, sayin' baby please
Don't believe those lies, crawlin' on your knees
You're the only liar in the midst of me
You're a dirt bag, so just get away from me, ee, ee

What you do
Will always come back to you
I'm tired of playin' games with you
I'm really not feelin' you

And what you say
Don't mean a damn thing to me
Tried to make a fool out of me
It's all just history

You make me wanna shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Day after day you're telling your story
Saying your girlfriend's just lying on me

You say they want what you got, wanting your spot
Boy I think not, man you think you're so hot

You're the victim or so you say
I guess they're throwing their drawers and bras your way
I guess those condoms weren't yours, belong to your boys
Call me deaf 'cause, I'm not hearing that noise

What you do
Will always come back to you
I'm tired of playin' games with you
I'm really not feelin' you

And what you say
Don't mean a damn thing to me
Tried to make a fool out of me
It's all just history

You make me wanna shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Yes, Chicka-bow, Chicka-bow
Chicka-bow wow wow
Blu Cantrell is hot, hot
Blu Cantrell is fire
[Incomprehensible]
Chicka-bow
Redzone on fire
[Incomprehensible]
On fire, watch it

You make me wanna shout

Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

Shout
Make me wanna scream
Make me loose my cool
But I'm gonna throw my hands up

You make me wanna scream
You make me wanna
You make me wanna scream
You make me wanna
