Why, why, why  
Why, why, why  
Why, why, why  
Why, why, why  
Why, why, why  
Why, why, why

You see me at the bottom  
Trying to get on top  
You see me at the club  
You know I used to rock

You see me crying tears  
Lord make 'em stop  
You see the sun shine  
But never on my block

You see I'm trying to grow  
Let me get ahead  
You know I'm trying to do  
What my mama said

Lord I need a change  
Lord feel my pain  
Lord find me one  
That ain't 'bout this game

I'm trying to find a man  
I'm trying to find a ring  
I'm trying to find someone  
Who loves me more

Than their bling bling  
Trying to be a wife  
Trying to make a life  
Trying to get in touch

With my spiritual side  
Trying to have you back  
Trying to help you stack  
Trying to be your strength

When you know you lack  
Lord I need a change  
Lord tell me you feel my pain

So blu  
(Why, why, why)  
So blu  
So blu  
(Why, why, why)  
So blu  
So blu  
(Why, why, why)  
So blu  
So blu  
(Why, why, why)  
So blu

You see me hustlin' for every cent I got  
You see I never sleep  
Until I reach the top  
You see I can't slow down

Because you know it's real  
You see I can't stop here  
I gotta make a mill  
I'm fitna be a woman  
That stands the test of time

Ain't afraid to say I'm fitna  
Blow ya mind  
I'm fitna be the one  
You trust more than your boys

I'm fitna reach the level  
Number one across the board

I'm trying to find a man  
I'm trying to find a ring  
I'm trying to find someone  
Who loves me more

Than their bling bling  
Trying to be a wife  
Trying to make a life  
Trying to get in touch

With my spiritual side  
Trying to have you back  
Trying to help you stack  
Trying to be your strength

When you know you lack  
Lord I need a change  
Lord tell me you feel my pain

So blu  
(Why, why, why)  
So blu  
So blu  
(Why, why, why)  
So blu  
So blu  
(Why, why, why)  
So blu  
So blu  
(Why, why, why)  
So blu

So blu  
(Why, why, why)  
(I'm blue)  
So blu  
(Why, why, why)  
(So blu)  
So blu  
(Why, why, why)  
So blu  
(I'm so blue)  
(Why, why, why)  
So blu

Yeahhh  
(Why, why, why)  
I am so blu yeah  
I am so blu

I don't wanna feel the hurt inside  
(I don't wanna feel the hurt inside)  
I don't wanna feel the hurt inside  
(Lord, I am tryin' to find you, yeah yeah)  
I don't wanna feel the hurt inside  
(Oh yeah, yeah, yeah)

I don't wanna feel the hurt inside  
(I I I I)  
I don't wanna feel the hurt inside  
(I don't wanna feel the hurt inside)  
I don't wanna feel the hurt inside  
(Lord, I am tryin' to find you, yeah yeah)

I don't wanna feel the hurt inside  
(Lord, Lord, Lord, Lord)

I don't wanna feel the hurt inside  
(I don't wanna feel the hurt inside)  
I don't wanna feel the hurt inside  
(I need you to help me out, Lord, Lord)

Yeah  
(Why, why, why)  
So blu  
(Why, why, why)  
So blu  
(Why, why, why)
